# BEAD & BAUBLE

Bead & Bauble offers a fun range of classes during school holidays for school age children, so Prep kids and older. Classes are rated by stars...one star classes ★ are nice and easy and are suitable for children who have had no beading experience. Two star★ classes are suitable for those with beading experience, and are familiar with beading tools and have a general idea of beading.

**NOTE: Full payment is required at time of booking.**

## Kids school holiday program

### Charm Bracelet ★★

Learn how to make a charm bracelet using open linked chain and a clasp, and gain skills in attaching metal charms and beads to the chain. The cost is \$20.00 per person and bookings are essential. Beading experience & basic beading tool knowledge is essential for this class.

### Dragonfly Bookmark ★

Learn how to make a bookmark using a blank bookmark fitting & make & attach a dragonfly to it. These make super gifts and are a great project for handmade Christmas presents. The cost is \$20.00 per person and bookings are essential. This class is suitable for beginners.

### Necklace & Bracelet Workshop ★

Beads, beads and more beads! Have lots of fun trawling through all the bead tubs to make a necklace on tiger tail wire & make a bracelet on beading elastic with charms. You'll learn all the techniques required to make these two projects. The price is all inclusive & bookings are essential. The cost is \$20.00 per person and places are limited, so bookings are essential. This workshop is suitable for children with no beading experience.

### Friendship Alphabet Bagtags ★

Come along and create some very groovy bagtags for your friends. Rummage through the alphabet beads to spell your friends names and then attach beads, cord and a hook so that your friends can hang them on their school bags. You can make as many as you can in the time allocated! These will make excellent birthday presents. The cost is \$20.00 per person and bookings are essential.

### Sculpey Clay Workshop ★

Come & have a very groovy time making beads & a pendant out of polymer clay which we cook and then make into your own original jewellery pieces. The cost is \$20.00 per person and this includes all the materials. Bookings are essential & this class is suitable for school kids of any age.

### Chain & Charm Necklace ★★★

Learn how to make a necklace from a piece of chain & findings, then attach charms, faux pearls and baubles. These charm necklaces are really popular with all ages and you can collect and add more pieces onto the necklace if you like. The cost is \$20.00 per person and bookings are essential. This class is suitable for older children who have beading experience.

### Earring Workshop ★★

We'll make multiple pairs of earrings using a variety of techniques and materials including wire, tiger tail, beads and bells. Come and learn some new skills and make some fabulous earrings too! Cost: \$20.00 and this class is suitable for children with beading & tool experience.

### Children's Bead Parties ★

Kids love beads, so what a great birthday party idea or holiday activity for your kids. The beading frenzy comes to your house, complete with a beading expert to have some beading fun. Price includes making of three items of jewellery; a tigertail wire necklace, bracelet on elastic and a pair of earrings (a second bracelet can be an option if earrings are not desired). These projects encompass learning the skills to handle beading wire, elastic & earring findings. The added bonus is that the kids get to make & take home their own creations. These parties are great for ages 6 and over. The cost is \$20 per child with a minimum of 6 children per party. A \$50 non-refundable deposit to book your party and secure the date, with the balance payable at the party. Bead & Bauble party invitations are provided on payment of your deposit. Bead parties are available to be held on Saturdays from 2.30pm onwards.

Please contact Lauren at Bead & Bauble if you require further information about the classes.
